# Annual Holiday Store

Thank you for your interest in helping us make this season a happy one for the families we serve. Every year we invite families to “shop” in our “store” for the holidays. This gives parents the present of choosing their child’s gift. Below is a small sample of the types of toys/games our members enjoy most, but feel free use your imagination. On behalf of the more than 100 boys & girls that will benefit from this holiday program

## THANK YOU!!
