

Transportation Update

Situation

We must transport students to:

- 19 public and non-public elementary schools
- 6 public and non-public secondary
- School Committee approved COVID Walking distance
 - K-5- 2 Miles
 - 6-8- 3 miles
 - 9-12- 3.25 miles

Constraints:

- COVID guidelines: 22 max students per bus
 - Siblings-counted as one seat
 - Monitors are required on each bus for the entire run
- Crossing Guards located at only 10 of our Elementary Schools
- 29 Regular Ed Buses Available

Plan

- K-5 bussing began Tuesday, Feb 23
 - We're asking everyone in our community to be understanding with us and everyone else.
 - Routes significantly different from prior years. Congestion in parking lots. Student drop off times.
- Middle School
 - While we continue to look, we currently have no solution for Middle School transportation.
- CTC
 - Cross town shuttle from Pilgrim to Toll Gate / CTC began Tuesday, Feb 23.
 - Modified beginning Tuesday, March 2 to have three local afternoon drop offs.
- High School
 - Working with RIPTA - 130 bus passes are available.
 - Given out approximately 22 passes to Pilgrim and 7 to Toll Gate?
 - Passes are mailed or delivered to student immediately after the need is determined.
 - Some students are already using RIPTA
 - Several DL-only students are planning to return to classroom as a result
