City of Warwick – Fiscal Year 2024 Budget Message

To the Members of the Honorable Warwick City Council, and residents of the City of Warwick:

The challenge we faced this year in preparing the city budget was the movement from a low interest rate, low inflation rate environment to a high cost environment with higher interest rates. After delaying it last year, we executed updated property values in compliance with state law and the tax rate applied to those values will drop dramatically. This budget accommodates essential expenses of the city and school with a tax levy increase on existing property of 2.9%, well below inflation which hovers around 6%. My administration has worked tirelessly to bring new economic development to the city and there was substantial growth in both residential and commercial property such as new buildings, residences, and repurposing buildings that had been vacant. The growth in the tax levy on existing properties is under 2.5%. Please bear in mind that prior to this year there had not been a tax increase in Warwick for three consecutive years. This budget assures that Warwick residents will receive the same level of service to which they have become accustomed.

After any revaluation, sales evidence will show certain types of property and neighborhoods increased more than others. Some of you will experience tax increases; other decreases. I have also proposed more flexibility in assigning tax rates to residential and commercial property. In this budget, the proportion of the tax levy to be collected from residential and commercial property is planned to be the same as in the current year.

I would also note that because of action taken by the General Assembly, especially Speaker Shekarchi, the car tax previously collected by the city has been eliminated. Because of this, property taxes proposed in this budget are over \$4.5 million lower than what we collected two years ago.

Budget Details

Expenses

Similar to the experience which families and business have faced, the city has seen increased expenses over the past fiscal year and we are projecting similar increases for the next fiscal year. This budget proposes a total operating increase of 3.5%; Municipal costs have increased 2.8% over the adopted FY 23 budget. The overall Warwick Public Schools budget increases 4.0% with a local contribution increase of 2.8%.

In this budget, with the exception of those supported by the remainder of American Rescue Plan funding, there are no new initiatives. In public safety there is a \$2.0 million increase in projected Fire Department expenses over FY23 expenditures, \$1.3 million of which is supported by a Federal SAFER Grant designated for as new hires entering service. The Police Department budget increase of \$1.6 million covers the costs of negotiated compensation increases as well as higher operating costs. In Public Works, various material costs remain at high levels and compensation increases drive proposed spending of over \$1.5 million from projected spending this year.

We have seen a return of cost increases of almost 8% for health insurance. According to our provider, current year rates were understated by approximately \$1.2 million as complete prior year claims experience was not reflected in our current year rates. Part of this cost increase is offset by \$1.2 million in health insurance reserves of over \$8 million which accumulated significantly during the pandemic.

In the two previous budgets which my Administration has proposed & enacted, addressing the city's Pension and OPEB (Other Post-Employment Benefits) liabilities has been a focus. In FY22 we made a first-of-its kind appropriation of \$250,000 toward the previously uninitiated OPEB Trust, which was matched by another \$250,000 in FY23. Likewise, the FY24 proposed budget contains a substantial investment in Pension and OPEB costs through the adoption of the City Actuary's OPEB funding strategy, as presented to the City Council in March 2023. Contributions to the Police and Fire 1 plan will decline by \$1.6 million from what would have occurred without any change to the funding plan. Simultaneously, a \$1.1 million appropriation to the OPEB Trust is proposed along with a one-time \$2 million contribution in health insurance reserves. These reserves are not part of the general fund but are reported in the City's annual financial statements.

The absence of a concrete and long-term plan to address the OPEB liability has been a black mark on the city's financial statements for many years. According to The Standard and Poor's rating at the time the city last sold bonds in February 2022, showing "material progress in reducing both [Warwick's] retirement costs and the associated pension and other postemployment benefit (OPEB) liabilities," is the type of action required for Warwick to achieve a higher bond rating. This material action which my Administration is proposing, coupled with appropriations made during the two previous fiscal years, is major progress in the strategic effort to reduce this significant liability and will improve the city's bond rating.

This budget also proposes an additional \$130,000 contribution by the city towards the pension fund of Police Department sworn officers, to effectively freeze individual contributions at the current rate. The current WPD rate of 18.54% is the highest in the state,

and negatively affects hiring and retainment of sworn officers. Moving forward, I have asked the city actuary to evaluate other future options in determining employee contributions while maintaining the strong funding levels of the plan.

Revenues

As indicated in my introduction, this proposed budget anticipates a 2.9 % growth in real estate and tangible taxes. The normal growth would be approximately 0.5% reflecting new and improved property.

In December of 2022, the State of Rhode Island implemented the new tax on recreational cannabis, the revenue from which has just begun to be received by the city. For the first three months Warwick has received \$128,386 from cannabis sales, with a total anticipated revenue of \$400,000 through FY23. With two retail facilities currently operating in Warwick, and the possibility for additional facilities in the future, a conservative estimate of \$900,000 has been budgeted for FY24.

Other non-property tax revenues are varied depending on source. While hospitality including airport related revenues and interest rate associated revenues, especially investment of idle cash, show good growth; there is a decline in revenue related to real estate activity such as recording fees and the realty transfer tax. Fortunately, building permit revenues remain strong. We also believe it is reasonable to estimate revenues of \$2.5 million from the sale of the Aldrich School property and the former school administration building on Warwick Avenue. State school operations aid increased \$3.2 million in the Governor's proposed budget, aiding in balancing the Warwick Public Schools budget.

On my recommendation, the City Council approved a resolution authorizing a change in the tax classification structure of the City of Warwick. Currently, commercial rates are 50% higher than residential rates and tangible tax rates are double residential rates. The new proposal will allow commercial rates to be set at 75% of residential rates. This proposal was necessary to assure that the same balance of revenue from residential and commercial property applies after the revaluation as before as residential property values have increased more than commercial properties.

Lastly, I will note that this proposed budget relies on \$7.1 million in fund balance to achieve a balanced budget. This is down from \$10.8 million last year, due in part to my Administration's efforts to address the city's structural deficit. As always, I will work throughout the year to ensure prudent financial management spending to essential purposes.

I will note that while we used unrestricted ARPA funds for this purpose last year, we are now relying on fund balance in the proposed budget. There is a restriction in ARPA that such funds cannot be used to increase rainy day balances. While we believe our tremendous success in increasing our reserves to over \$30 million was the result of good management and revenue growth unrelated to ARPA, it is important that we clearly demonstrate that such funds were not used to improve the city's financial condition. If we move the fund balance down, we will have clearly met the test.

Economic Development & Growth

Looking to the future, we envision an improved tax base and economic vitality that will support our community's fiscal health and continue to provide the essential municipal services that our residents and businesses deserve. My Administration continues to build on the tremendous economic development momentum we've created in just the past two years. We are already recovering remarkably, following the several years leading up to the pandemic and throughout the global health crisis, when Warwick, unfortunately, saw a marked slowdown in new commercial and residential activity. Thanks to a renewed focus on economic development over the past two years, with a priority on creating an environment in which companies can grow and succeed, business is now booming here in Warwick, with a significant number of commercial and multi-unit residential projects that are presently underway or proceeding through the phases of planning approvals.

The varied projects, primarily located in the City Centre Warwick transit-oriented development district or adjacent commercial areas, are cementing Warwick's reputation as the premier community in Rhode Island in which to do business, and putting an increased focus on the City's central, convenient location in the heart of southern New England that's attracting local developers as well as out-of-state investors.

The largest development projects include the following:

- Northpoint on Commerce Way (off Airport Road), which represents a \$47-million investment in a 491,000 sq. ft. warehouse/distribution center, bringing with it 300 new jobs, \$13.7 million estimated in wages and benefits, and \$50 million in new value to our community. It is expected that a certificate of occupancy will be issued this month.
- 1850 Post Road – Good Homes, Inc. has received permits to convert the former Sheraton Hotel into 238 below-market-rate apartment units targeted to renters with annual income between \$40,000 and \$80,000. Planned improvements include new landscaping, signage and façade enhancements that will raise the real property value to a projected \$17 million.

- 2119 Post Road - A 200-unit, four-story apartment complex planned within two buildings represents approximately \$45 million in capital investment. During the estimated two-year construction phase, the project will result in over 100 construction jobs.
- 0 Metro Center Blvd and Kilvert Street - A 200-unit, five-story apartment development consisting of three buildings. This project stands to be of similar capital investment value; \$45 to \$55 million. The project is currently being transferred to another developer and is expected to be slightly reduced in scale.

Additionally, Skye City Centre has made a submission for Administrative review within the Intermodal District at 745 Jefferson Boulevard (the former Leviton property). The building will be mixed use, containing 297 residential units and a restaurant. The project represents nearly \$75 million worth of investment for the City.

Other projects of note include the Neon Gas Station at 1149 Division Street, which is presently seeking final inspections, (meaning it is likely to open by or before June 1st) and the One Car Wash facility proposal, at 1119 Division Street next to Neon, which is scheduled to be heard before the Planning Board in May of this year.

Upon completion, these projects will upon provide enhanced tax revenues, expanded housing options, and increased employment opportunities in construction and warehousing, office, and retail. The combined value of new investments in Warwick will amount to an estimated \$240 million. Importantly, the substantial added value realized by commercial and large apartment additions to the City will not require an increase in the cost of municipal or school services.

American Rescue Plan - ARPA

We have been allotted \$39.4 million in ARPA funds. Of this \$39.4 million, \$24.4 million is the City's direct metro city allocation, and \$15.0 million is the City's share of the Kent County entitlement. We have received the total amount. There are four eligible spending categories for ARPA. We are relying on just two of them.

- Revenue Replacement
- Infrastructure – Water, Sewer, Broadband

The City of Warwick qualifies for revenue loss use of ARPA funds as defined in the US Treasury's final rule by the extent to which the City of Warwick's annual revenue growth falls below 5.2% from the base year 2019. Through the end of FY 22, the city had full

revenue loss qualification on the full entitlement. The only real restrictions are that this category of spending not be used for debt service, contributions to pension funds, or improvement of fund balance (rainy day funds).

While the Federal rules provide for flexibility, it has been the position of my Administration that Warwick should as much as possible use these funds for one-time costs and to reduce costs going forward. Revenue loss qualified funds can be used for both general budget support and for projects that do not qualify in one of the other spending categories. A major pledge in the budget of two years came from this category and included \$7 million for sewer (Bayside). The sewer pledge has been executed and all monies have been spent in addition to proceeds from sewer loans. Estimates from the Warwick Sewer Authority project that service to the neighborhood will begin by the end of this calendar year.

I am pleased to propose additional capital acquisitions and infrastructure improvements for the City of Warwick as summarized in the following table. A detailed listing of the proposed acquisitions and projects is contained in the capital budget.

ARPA Summary

The following table summarizes completion of spending for FY 23 and planned spending from ARPA for FY 24. A small balance remains for distribution in next year’s budget. A detailed listing of the projects proposed can be found in the capital budget.

	FY 23 Revised (In \$hundreds)	FY 24 Proposed (In \$hundreds)
Information Technology	\$566	\$1,125
Police	\$641	\$3,800
Fire	\$991	\$960
Parks and Recreation	\$470	\$3,150
Senior Services	\$123	\$354
Animal Shelter	\$28	\$62
Public Works	\$8,891	\$4,476
Planning	\$653	\$300
Probate Court		\$18
School Technology		\$1,000
Total Planned	\$12,364	\$15,245

Schools

The FY 2023 approved budget for the City of Warwick was \$341.4 million. \$178.8 million or over 52% was for the Warwick Public Schools (WPS). The FY 2024 budget approved by the School Committee assumes a significant state school aid increase from \$41.9 million to \$45.1 million, or 7.7%. This budget proposes a 4 % increase in overall support to WPS from \$178.8 million to \$185.9 million (despite further declines in enrollment). \$1 million of our local contribution will be from City ARPA funds for one-time only capital acquisitions, especially in the technology area. Another \$400,000 is expected to be available from a current year surplus. The local contribution support would increase 2.8% from \$133.8 million to \$137.6 million.

Warwick Public Schools face many challenges, special needs, teacher shortages, enrollment mix, and the negotiation of a new teacher contract. As a former School Committee Chairman, I understand and appreciate the position WPS finds themselves in. I believe the city's commitment to our schools in this budget, just as it was in the FY23 budget, is sufficient to meet the challenges WPS faces. I will continue to build upon my Administration's working relationship with the Superintendent and School Committee to ensure proper execution of this budget.

As my Administration proposed last year, I believe strongly that additional state aid should offset city contributions. If additional state school aid materializes, I will propose elimination of the \$1.0 million ARPA contribution and will reserve it for future use by the city.

Fiscal Year 2023-2024 City of Warwick Budget (In Millions of Dollars)	FY 23 Enacted	FY 23 Revised	FY 24 Requested
Revenues			
Property Taxes	\$231.3	\$225.5	\$232.2
State and Federal	\$66.4	\$76.1	\$79.7
Licenses and Fees	\$10.0	\$9.8	\$10.1
Other Revenue	\$20.0	\$22.7	\$21.4
Enterprise Funds	\$2.6	\$2.6	\$2.7
Fund Balance/ARPA	\$10.8	\$2.3	7.1
Total Revenues	\$341.1	\$339.0	\$353.2
Expenses			
Municipal	\$162.3	\$160.2	\$167.3
School	\$178.8	\$178.8	\$185.9
Total Expenses	\$341.1	\$339.0	\$353.2

Respectfully Submitted,

Frank J. Picozzi
Mayor

2023-2024**

GENERAL FUND EXPENSE FISCAL YEAR 2023-2024

Executive and Administration

- **Mayor's Office (11):** Compensation increases by 2.75%.
- **Legal Department (12):** Contract for legal services increased by 2%.
- **City Clerk, Probate, Municipal Court (13, 14):** Full staffing supported to catch up on land evidence and other filing backlogs.
- **Personnel (15):** Provides a 2.75% raise for all non-union employees. Staffing study will be conducted from pension resources to evaluate administrative capacity.
- **Legislative (16):** Budget amount reflects request by City Council.
- **Board of Canvassers (17):** Costs decline because of reduced election activity.
- **Finance (18):** Compensation of Finance Director increased above the 2.75% benchmark.
- **Treasury (19):** Deputy Controller position created to assist in timely financial reporting. Total complement remains the same.
- **Debt – Principal and Interest (20, 21):** Net debt service cost declines by almost \$900,000 as final maturities are reached on outstanding general fund debt.
- **Tax Collector (22):** Professional services budgeted to cover collection fees and tax sale work.
- **Tax Assessor (23):** Tax Assessor compensation increased above the 2.75% benchmark. Two positions upgraded to expand duties and reduce reliance on appraisal contractor.
- **Information Technology (25):** Technology initiatives are budgeted from special ARPA funds. See special funds and ARPA budget for technology upgrades.
- **Purchasing (26):** Full staffing budgeted.

Public Safety

- **Animal Shelter (28):** One additional full time position added and two part time positions eliminated to most effectively provide 7 day a week coverage.
- **Police (30):** Provides for 175 total uniformed positions. 3.75% compensation increase is budgeted for uniformed union and non-union employees. See special funds and ARPA budget for vehicle acquisitions and broadband communications upgrade.
- **Fire Department (35):** Includes a close to full complement of uniformed personnel plus an additional 20 firefighters hired using a Federal SAFER grant of which approximately \$1.3 million is expected in FY 24. 3.75% compensation increase is budgeted for uniformed fire personnel. See special funds and ARPA budget for vehicle and other equipment acquisitions.
- Public Safety energy costs based upon forecast information from the Federal Energy Information Administration.
- **Building Inspection (36):** Full staffing budgeted.

Social Services

- **Warwick Public Library (43):** Main branch is fully funded with full staffing. Limited schedule for branches continues.
- **Parks and Recreation (45):** Program costs are fully funded and seasonal personnel costs assume full operations in the new year. All costs associated with maintenance and operating costs at the rink and pool are now budgeted in the Public Works Department. Assistant Harbormasters are now budgeted on an hourly basis instead of as a stipend for members of the Harbor Commission. See special funds and ARPA budget for vehicle acquisitions and facility improvements.
- **Human Services (46, 47, 48):** Mix of full and part time drivers changed to reflect increased utilization.

Physical Resources

- **Planning (60):** Operations fully funded. Major state pass through grants for Hazard Mitigation Update (+\$37,000), Green Nature Trail Grant (+\$85,000), and Brownsfield Remediation (+\$419,181), increase the total available to the Department without reliance on city funding.
- **Tourism and Economic Development (61):** Dedicated hotel tax revenues will continue to support the promotion of the hospitality business in Warwick as well as other economic development initiatives.
- **Public Works Administration (62):** \$520,000 included in the budget for a full year of the lease on the Sawtooth Building in Apponaug which houses many departments of city government in a centralized location.
- **Energy Costs:** Energy costs budgeted based upon forecast information available from the Federal Energy Information Administration.
- **Public Works – Highway (63):** Division fully staffed at 48.
- **Public Works – Sanitation (64):** Increased Tipping fees at Central Landfill increase total costs by \$200,000. Division fully staffed at 24.
- **Public Works – Automotive (65):** Division staffed at 13 including addition of new heavy duty mechanic.
- **Public Works – Building Maintenance (66):** Division staffed at 12.
- **Public Works – Engineering (67):** \$100,000 in electric savings reflect in street lighting costs as new metering has been completed.
- **Rink and Pool – (41,42):** Budgeted for full operations.
- **Public Works – Field Maintenance (70):** Nine positions budgeted in this public works division.

Employee Benefits and Fixed Costs

- **Healthcare (75):** Healthcare is budgeted based upon an increase in working rates of over 7% from FY 23 offset by \$1.2 in reserves from the healthcare management reserve.
- **Liability Insurance (76):** Cost for liability insurance through the RI Interlocal Trust will increase approximately 5% to \$2,260,000 for FY 2023-24.
- **Pensions (85):** Costs for the four pension plans administered by the City and as calculated by the city actuary will decline by almost \$800,000 (of which \$1.5 million is in Police and Fire 1) and assumes adoption by the Council of an Ordinance amending the fire and police 1 funding plan as recommended by the March report to the Council by the actuary. \$130,000 provided in Police 2 order to freeze employee contribution.
- **Other Post-Employment Benefits Trust (OPEB) (75):** The budget includes an additional \$1,060,000 for the OPEB Trust from the savings in funding the Police and Fire 1 plan as presented by the actuary. An additional \$2 million for the OPEB Trust is proposed as a one-time contribution from Health Insurance reserves so that the OPEB Trust will meet the accounting test as a Trust based upon a full funding strategy.
